Eric:

The PJM for Pine View Estates asserts that the owner/operator conducted unauthorized discharge to DFB (in violation of UIC regs) between March 1 and June 6, 2005.....this is our only Level One Violation. However, I could find no evidence in the file that supports this contention. That is, inspection notes, phone records, correspondence from/by EPA which establishes this as fact are absent from the file you gave me, or at least I couldn't find them/it. What documentation do we have in our possession/files which allows us to make this assertion? A
